

## **STAKEHOLDERS' POLICY EURO-MED LABORATORIES PHIL., INC.**

The Corporation highly value our stakeholders on our responsibilities as a medical enterprise and how we execute our business strategies. It is the Company's continuous efforts to serve well our stakeholders as well as earning and keeping their trust.

The key issue is to establish a growth strategy of the company, enhance transparency, and manage potential harm towards stakeholders and the society and code of ethics. The main purpose of the Company is to maintain and adapt to the corporate social responsibility, which is to reach more people with more medicines and ensure that communities get the health care that they deserve.

The Company ensures that the drugs that have been manufactured are of the right quality, and manufactured as per the mandate and drug manufacturing requirements. The drug should meet the requirements of the relevant drug regulatory body and obtains permit for consumption by the society.

Euro-Med is committed to serve the Filipino people and the medical community in its pursuit for high quality healthcare products and services. The Company strives ahead and maximized its profits for the company's shareholders and team members. Providing high quality products at affordable prices is Euro-Med's corporate philosophy.
